

SCFA Visited Beijing & Shanghai

26th March – 2nd April 2018

SCFA delegation with Prof Yang

Professor Yang Chen-Ning, a world-famous physicist, is the first Chinese Nobel Prize winner. Prof Yang has been elected a Fellow of the American Physical Society, the Chinese Academy of Sciences, the Academia Sinica, and the Russian Academy of Sciences. He is currently the Honorary Director of the Institute of Advanced Studies at Tsinghua University. He is also the Honorary Advisor of SCFA, Tan Kah Kee International Association and the Singapore Tan Kah Kee Foundation.

Prof Yang has made great contributions to the relationship between Singapore and China, as well as the development of science and education in Singapore. In the 1980s, Prof Yang was entrusted by Dr Goh Keng Swee, the then Deputy Prime Minister of Singapore, and successfully invited about 10 to 20 Chinese scholars who had been studying in the United States to work in Singapore. Dr Goh also consulted Prof Yang on the cooperation in the field of science, technology and economy between Singapore and China.

Beijing

Throwback (26th March – 2nd April 2018)

27th March

10 AM | Visited The Chinese People's Association for Friendship with Foreign Countries

President Li Xiaolin, on behalf of the Chinese People's Association for Friendship with Foreign Countries received the delegation of SCFA with warmth. She expressed her gratitude towards SCFA in strengthening the friendship between two nations. Prof Phua Kok Khoo, SCFA President introduced the mission of SCFA in recent years and expressed willingness to cooperate with China. Prof Phua has also invited President Li to visit Singapore.

12 PM | Visited Professor Yang Chen-Ning

The delegation paid a visit to Nobel laureate physicist Professor Yang Chen-Ning, the SCFA Honorary Advisor at Institute for Advanced Study, Tsinghua University to expressed gratitude and respect. After the meeting, the delegation presented gifts to Professor Yang and took a group photo.

2.30 PM | Visited Peking University

Dr Tian Gang, Vice President of Peking University delivered a welcome speech to the delegation of SCFA. He briefly introduced the overall arrangement of PKU and on the topic of academic, higher education, and publishing discussed with the delegation. Prof Phua, SCFA President pointed out that academic research in Asia should establish its own research system and organizations, instead of following the trend in the West. SCFA has also

tightened the cooperation with PKU Alumni Association (Singapore) in recent years and aimed to cooperate with more higher levels institutions in the future.

5 PM | Visited the Overseas Chinese Affairs Office of the State Council

SCFA delegation received warm hospitality from Xu Yousheng, Deputy director of the United Front Work Department, Director of the Overseas Chinese Affairs Office of the State Council, and Vice President of the China Overseas Exchange Association in Beijing. Prof Phua, SCFA President emphasised that SCFA was dedicated in promoting people-to-people friendship collaboration in different sectors such as science technology, education etc. In addition, SCFA has also took up the responsibilities to help Singaporean to connect with China and promote a better understanding of Chinese culture.

28th March

10AM | Visited Singapore Embassy in Beijing

Ms Tracy Chan Su Yin, Deputy Chief of Mission & Minister-Counsellor welcomed the delegation of SCFA. Prof Phua, SCFA President pointed out that Singapore and China have maintained a long-standing and greatly prioritized close relationship more than 20 years, Singapore shall play its special and positive role in the process of further improving China-Asean relations, to expand strategic partnerships with top institutions in China.

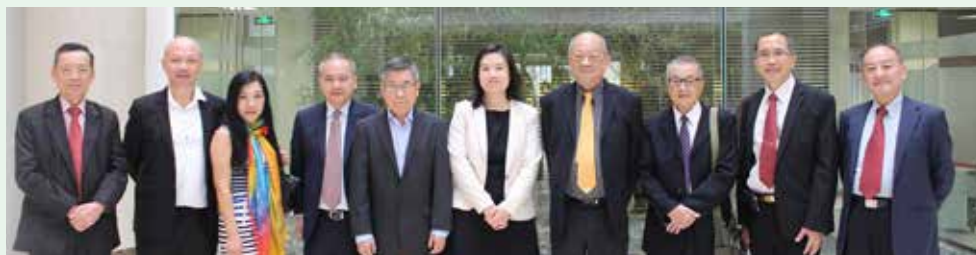

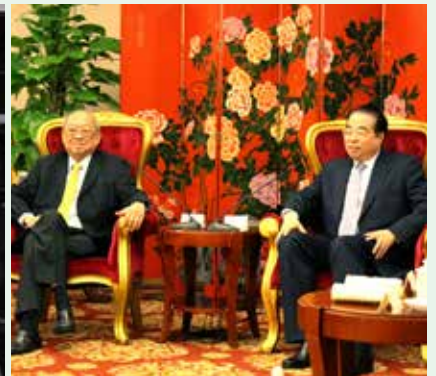

However, Singapore struggles to keep up with the pace of cultural change in China, especially the new generation, he added. Thus, SCFA will organise more cultural, educational and discussion events and festivities to promote spontaneous cultural interests of the general public and to develop their understanding of culture.

4.30 PM | Visited China Soong Ching Ling Foundation (CSCLF)

The delegation were given a guided tour of the various facilities of the centers during the visit to CSCLF and Soong Ching Ling Youth Science & Technology Cultural Exchange Center by Deputy Director Ren Haifeng and Su Hongtao. They have share the experiences of both countries in promoting and managing the arts and culture as well as to encourage the provision of training opportunities for artists, art administrators and art educators in all aspects of cultural and artistic development. Prof Phua, SCFA President hoped that both countries can develop closer cooperation in the future.

6.30 PM | Dinner reception to friends of SCFA

SCFA invited officials from the China Embassy and the members of SCFA to a banquet at Beijing Hotel. Hu Zhengyue, Vice Chairman of the Soong Ching Ling Foundation of China, Lu Pengqi, Vice Chairman of the China Council for the Promotion of International Trade, Dong Songgen, former Vice President, and Sha Zukang, former Deputy Secretary-General of the United Nations were also present.

29th March

9 AM | Visited Beijing People's Association for Friendship with Foreign Countries

Tian Yan, Vice President of Beijing People's Association for Friendship with Foreign Countries (BPAFFC) welcomed the visit of

the delegation from SCFA. He said that BPAFFC has been focused on organizing international exchange activities for teenagers and children regularly, and more cultural activities flourished along the "One Belt One Road" route. Prof Phua, SCFA President said that Singapore is a

nation with a diversity of cultures. The exchanges between the two countries will help the people of the two countries to achieve mutual understanding. Both sides had productive discussions for the emerging fields of technology, science, education and art.

30th March

10 AM | Visited ShanghaiTech University

Associated Dean Frank Tsung welcomed the visit of the delegation and gave a brief introduction about the ShanghaiTech University. Prof Phua, SCFA President showed his concern about the development of the university. He suggested that the university may analyse cross-border partnerships among higher education, yet to focus on optimizing the enrolment process for international

students as soon as possible in order to attract more outstanding talents.

4 PM | Visited Shanghai People's Association for Friendship with Foreign Countries (SPAFFC)

SPAFFC Director, Xiao Chong received the delegation of SCFA with warmth and gave a brief introduction of the cooperation projects of SPAFFC. Prof Phua, SCFA President introduced the mission of SCFA

in recent years and expressed willingness to cooperate with SPAFFC.

After the meeting, SCFA was invited to a banquet. Jing Ying, SCFA Vice President stated that Shanghai has close historic and military ties to Singapore. Prof Phua said that both Singapore and Shanghai can do more to strengthen cooperation in many areas, such as education, science and technology, healthcare and medical research as well as culinary culture.

31st March

10 AM | Visited Shanghai Duo Yunxuan Group

Gu Linfan, Duo Yunxuan Group General Manager welcomed the delegation of

SCFA at Duo Yunxuan Art Center. Prof Phua, SCFA President hoped to increase collaboration between artists, arts groups and cultural institutions on both sides.

The delegation then attended a lunch banquet hosted by Zhang Xiaomin, Chairman of Duo Yunxuan.

Public Talks

Prof Jao Tsung-I in Singapore

A public talk themed Prof Jao Tsung-I in Singapore was successfully held at the Chui Huay Lim Club, on 10th February 2018. China Under Xi Jinping's New Era: Towards Year 2035

Co-organized by Chui Huay Lim Club, Institute of Advanced Studies of Nanyang Technological University, supported by SCFA and Federation of Chinese School Alumni Associations, the public talk – *China Under Xi Jinping's New Era: Towards Year 2035* was successfully held at Chui Huay Lim Club, on 12th May 2018. The talk attracted more than 400 audiences. The talk was given by Prof Zheng Yongnian (Director, East Asian Institute, National University of Singapore) and chaired by Prof Phua Kok Khoo.

Prof Zheng indicated, after the 19th National Congress of the Communist Party

of China, National People's Congress and Chinese People's Political Consultative Conference, China have introduced a long-term plan for its future: 1) the first period (until 2020): building a moderately prosperous society and eliminating poverty; 2) the second period (2020-2035): realizing socialist modernization; 3) the third period (2035-2050): becoming a leading nation of prosperous, democratic, civilized, harmonious and beautiful.

Prof Zheng subsequently analysed the China's long-term plan from economic, political and diplomatic aspects. From economic aspect, China must avoid the

middle-income trap, and work towards the economic level of developed country. From political aspect, China will follow its own model and system – the China model. From diplomatic aspect, with Wang Qishan taking charge of the Ministry of Foreign Affairs, China's diplomacy will commence transformation, to have greater decision-making power on deciding the big picture, big diplomacy and big direction of China's diplomacy. He added, if China could reach consensus in between Japan, India and Indonesia, a new Asian Order, that led by Asian countries, will come in shape.

Three Public Talks on New Retail

Organized by Singapore Management University (SMU) and supported by SCFA, three public talks on New Retail were successfully held at SMU Basement Concourse, from 16th to 17th July 2018. The speaker, Dr Ben Tian is the Director of Alibaba Group and the Senior Director of Alibaba Cloud Research Centre. Two talks – New Retail Technologies and Leading Smart Business – were conducted in Mandarin, while the talk – Leading New Retail Transformation was in English.

On the talks, Dr Tian focused on the latest retail trends and digital strategies

in countries such as China and provided insights into applicable technologies and digital strategies that integrate seamless customer experience from online to offline. He also talked on omni-channel experience, "click-and-motor" concept and digital marketing strategies on how to increase customer engagement. He introduced the use of emerging technologies such as cloud computing, artificial intelligence and

blockchain which can help transform business models into the smart business models. The talks received great responses from business owners and management personnel from SME.

Delegation from Shanghai International Culture Association (SICA) visited SCFA

On the morning of 30th October 2017, 3-member delegation from Shanghai International Culture Association, led by Mr Sun Hui, Deputy Director of SICA, visited SCFA.
